

Interested in Working in Western Australia?

The **Australian Medical Association (WA)** is the professional association for medical practitioners in Western Australia and supports doctors from overseas seeking to work in Western Australia.

AMA Recruit, a division of AMA (WA), provides a recruitment service to suitably qualified overseas trained doctors seeking employment as General Practitioners, Specialists and hospital based Specialists.

Services include sponsorship, registration, placement, arranging employment contracts, comprehensive orientation and providing additional support through member services of the Association.

OPTIONS ARE ENDLESS
THE CHOICE IS YOURS
